

What Kiddies Hive will supply

(8 MONTHS – 12 MONTHS OLD)

- Cot – The cot allocated to your baby will be used by your baby. •
- Cot mattress – the mattress will be Anti-allergy, have a breathable membrane and have a 100% waterproof shield.
- Cot bumper – a breathable safe cot bumper will be supplied for each cot as a protective barrier.
- Baby bath – a good quality baby bath is kept in the classroom in case any of the babies need a clean after leakage from a nappy or for any other reason
- A fridge – the fridge supplied to the class will only be used for the baby's bottles and food.
- A microwave – the microwave supplied to the class will only be used to warm up the bottles and food.
- All toys and equipment needed for floor activities and playtime fun

(12 MONTHS – 5 YEARS OLD)

- A mattress and mattress cover – These items will be used during our rest period. These items get washed weekly. If needed due to leakage or for any other reason they will be washed as needed.
- All educational games and activities – We have a daily schedule that we follow. All equipment and supplies needed throughout the day are provided.
